

11th Annual

# Biotherapeutics Analytical Summit

Empowering Innovation with the Right Tools & Techniques

**NEW DATES: SEPTEMBER 28-OCTOBER 2, 2020**  
ALEXANDRIA, VA | WESTIN ALEXANDRIA HOTEL

**2020 EVENT AT-A-GLANCE**

## Conferences

**C1: Early Analytical Development of Biotherapeutics**

**C2: Impurities & Degradants**

**C3: Characterizing Novel Modalities**

**C4: Advances in Characterization, Comparability & Similarity**

## Training SEMINARS

By Cambridge Healthtech Institute

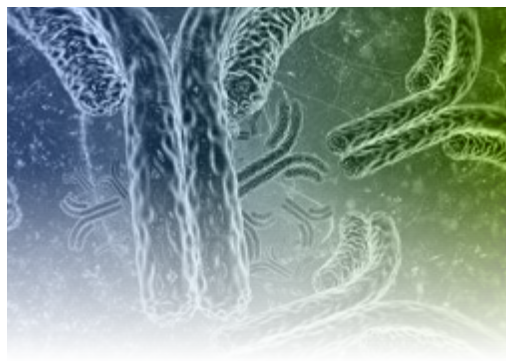

**TS1: Practical Strategies for Analytical Method Lifecycle Management for Biological Products**

**TS2: Regulatory Requirements across the Product Development Lifecycle**

**Monday, Sept. 28 (6:00-9:00 pm - Dinner)\***

**SC1: Particles in Biotherapeutics: Characterization & Impact**

**SC2: Advanced Analytical Technologies for Developability and Early Formulation Assessments**

**Thursday, Oct. 1 (6:00-9:00 pm - Dinner)\***

**SC4: Gene Therapy Products: Phase-Appropriate Analytical Development Strategies**

\* Separate registration required

## SC Short Courses
